

WID310

WID310 BLE Beacon

The WID310 is a BLE 5.1 beacon. This product, in connection with Queclink's tracking devices, is ideal for asset tracking and management in logistics and warehouses. Its waterproof and dustproof enclosure ensures reliable performance in harsh environments. The BLE beacon can be easily mounted with double-sided tape on targeted items. Also, there is an optional method to mount it with screws.

Highlights

- Easy and Low Cost Installation
- IP67 Waterproof
- Compact Size
- Replaceable Coin Battery
- Power On/Off Switch
